# IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed including the following:

Read all instructions carefully before using this vacuum cleaner.

**WARNING** / To reduce the risk of fire, electric shock, or injury:

- 1** Do not use outdoors or on wet surfaces.
- 2** Do not leave vacuum cleaner unattended when plugged in. Unplug from outlet when not in use and before user-servicing.
- 3** Close supervision is necessary when used by or near children.  
Do not allow this vacuum to be used as a toy. Use only as intended as described in this manual.
- 4** Use only the manufacturer's recommended attachments and paper bag.
- 5** Never operate this vacuum cleaner if it has a damaged cord or plug, if it is not working properly, if it has been dropped, damaged, exposed to weather or dropped into water. Return the vacuum cleaner to a Sharp Authorized Servicer in the United States for examination and repair.
- 6** Do not pull or carry this vacuum cleaner by the power cord. Do not use the power cord as a handle, close a door on the cord, or pull the cord around sharp edges or corners. Keep cord away from heated surfaces.
- 7** Never disconnect the plug by pulling on the cord. To disconnect from an outlet, grasp the plug, not the cord.
- 8** Never operate this vacuum cleaner with any air opening blocked. Keep the air openings free of dust, lint, hair and any other similar material.  
When the secondary filter becomes dirty, rinse in warm water. Filters should be completely dry before reusing.
- 9** Never drop or insert any object into any opening.
- 10** Keep hair, face, fingers and loose clothing away from all openings, and any moving parts.
- 11** Do not use this vacuum to pick up lit cigarettes, hot ashes, matches or similar materials, razor blades, needles, pins or other sharp objects.
- 12** Never operate this vacuum cleaner without the paper bag and filter in place.
- 13** Before removing the plug from the outlet, turn the switch to the "OFF" position.
- 14** Use extra caution when cleaning on stairs.
- 15** Never handle plug, cord or vacuum cleaner with wet hands.
- 16** Do not use in the presence of flammable or combustible liquids or fumes.
- 17** Do not place heavy objects on the vacuum cleaner.
- 18** Do not step on the hose or pull the hose forcibly.
- 19** Do not pick up objects such as waste paper or cloth which may clog the hose.
- 20** Do not expose this vacuum cleaner to high temperatures while operating or storing.
- 21** Store this vacuum cleaner in a dry place.
- 22** Use the carrying handle on the top of the body to carry this vacuum cleaner.
- 23** Before servicing this vacuum cleaner, allow all metal parts to cool.
- 24** Rewind the cord by holding the plug to prevent any injury.

## SAVE THESE INSTRUCTIONS

This vacuum cleaner is intended for household use only.

## WARNING

Operate vacuum cleaner only at the voltage specified on the nameplate.

# PRECAUTIONS (Important)

- Do not vacuum an area which contains moistures, water or inflammable matter, needles, pins, razor blades, etc.

- Keep the vacuum cleaner away from heat sources such as a heater during operation or after use.

Direct heat may damage the vacuum.

- Do not pull the power cord out beyond the red tape.

When connecting or disconnecting the power cord, hold the plug, not the power cord.

When pressing the cord rewind button, hold the plug, as the cord may rapidly retract, causing injury.

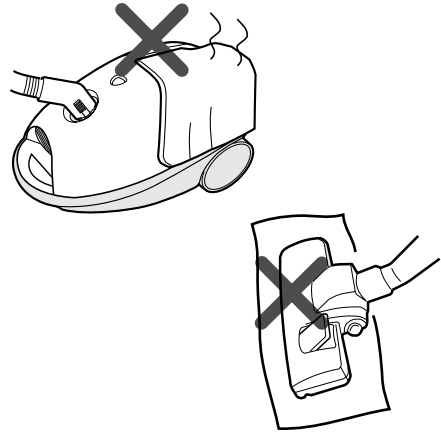

- Do not step on the hose or place heavy objects on it. Do not pull the hose forcibly.

The hose may be damaged.

- Do not operate the vacuum with the suction port or exhaust port blocked.

The motor will overheat.

**CAUTION:** To reduce the risk of electric shock, this vacuum cleaner has a polarized plug (one blade is wider than the other.) This plug will fit in a polarized outlet only one way. If the plug does not properly fit in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

Caution

If the cord of this appliances is damaged, it must only be replaced by the repair shop appointed by SHARP. In order to avoid hazard.

# CONSUMER LIMITED WARRANTY

SHARP ELECTRONICS CORPORATION warrants to the first consumer purchaser that this Sharp brand product (the "Product"), when shipped in its original container, will be free from defective workmanship and materials, and agrees that it will, at its option, either repair the defect or replace the defective Product or part thereof with a new or remanufactured equivalent at no charge to the purchaser for parts or labor for the period(s) set forth below.

This warranty does not apply to any appearance items of the Product nor to the additional excluded item(s) set forth below nor to any Product the exterior of which has been damaged or defaced, which has been subjected to improper voltage or other misuse, abnormal service or handling, or which has been altered or modified in design or construction.

In order to enforce the rights under this limited warranty, the purchaser should follow the steps set forth below and provide proof of purchase to the servicer.

The limited warranty described herein is in addition to whatever implied warranties may be granted to purchasers by law. ALL IMPLIED WARRANTIES INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE ARE LIMITED TO THE PERIOD(S) FROM THE DATE OF PURCHASE SET FORTH BELOW. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Neither the sales personnel of the seller nor any other person is authorized to make any warranties other than those described herein, or to extend the duration of any warranties beyond the time period described herein on behalf of Sharp.

The warranties described herein shall be the sole and exclusive warranties granted by Sharp and shall be the sole and exclusive remedy available to the purchaser. Correction of defects, in the manner and for the period of time described herein, shall constitute complete fulfillment of all liabilities and responsibilities of Sharp to the purchaser with respect to the Product, and shall constitute full satisfaction of all claims, whether based on contract, negligence, strict liability or otherwise. In no event shall Sharp be liable, or in any way responsible, for any damages or defects in the Product which were caused by repairs or attempted repairs performed by anyone other than an authorized servicer. Nor shall Sharp be liable or in any way responsible for any incidental or consequential economic or property damage. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you.

**THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.**
